

ORIGINAL IS BETTER

CHOOSING OUR GENUINE PARTS

The FPT engine range offers the maximum efficiency and environmental sustainability for your applications, reducing fuel consumption and emissions, and maximizing engine service life and performance. Choosing Genuine FPT Parts will help you maintain the best conditions just like from the manufacturing plant.

PARTS & SERVICE

Genuine Parts

Genuine Parts

The FPT Network uses quality products and services to offer you top quality technical solutions developed alongside our partners.

Genuine Parts are manufactured using the same procedures and materials to FPT's exact specifications: total compatibility, longer service life and guaranteed operations.

In our FPT Authorized Workshops, you will find highly qualified technicians ready to expertly assist you to guarantee the best efficiency for your engine.
