

## FPT INDUSTRIAL NORTH AMERICA EXPANDS MARINE SUPPORT IN ALASKA WITH HIGHMARK MARINE FABRICATION AS PARTS AND SERVICE DISTRIBUTOR

Turin, Italy, October 16<sup>th</sup>, 2025

**FPT Industrial** is proud to announce the appointment of **Highmark Marine Fabrication LLC** as its new **Authorized Marine Service and Parts Distributor** for the Alaska region. Based in Kodiak, AK, Highmark will oversee FPT Industrial's marine service dealer network and ensure reliable parts availability across the state.

Founded in 2014 by Cooper Curtis, **Highmark Marine Fabrication** has built a reputation for delivering fast, efficient marine engine repairs and supplies – available 24/7. Today, the company stands as Alaska's most comprehensive marine repair destination, employing over 45 skilled professionals and offering a wide range of services, including marine equipment installation and vessel modifications.

PRESS RELEASE

*"Highmark Marine Fabrication has been a trusted dealer of FPT Industrial marine engines for over five years" said **Seth Doman, Parts Manager for FPT Industrial North America.** "We're excited to see them expand their role to include parts distribution throughout Alaska."*

**Chris Gittens, Head of Sales and Marketing for FPT Industrial North America**, added: *“Their commitment to quality, efficiency, and customer satisfaction makes them an ideal partner for this expanded role.”*

*“We’re thrilled to enhance our partnership with FPT Industrial and bring high-quality parts and service to our customers across Alaska,”* said **Cooper Curtis, Owner and Operations Manager of Highmark Marine Fabrication**. *“FPT Industrial marine engines have established a strong presence in the region, and as an authorized Service and Parts Distributor, we’re better equipped than ever to deliver fast, cost-effective solutions to Alaska’s marine community.”*

*FPT Industrial is a brand of Iveco Group N.V. (EXM: IVG), dedicated to the design, production, and sale of powertrains and solutions for on- and off-road vehicles, as well as marine and power generation applications. Over 8,000 people across ten production sites and ten R&D centers work for FPT Industrial all around the world. Active in nearly 100 different countries, its global sales and its Customer Service department supports all Brand customers. The extensive product offering includes six engine ranges with power outputs from 30 hp to over 1,000 hp, transmissions with torque up to 500 Nm, and front and rear axles from 2.45 to 32 tonne GAW (Gross Axle Weight). FPT Industrial offers the most complete line-up of natural gas engines for industrial applications on the market, with power outputs ranging from 50 to 520 hp. A dedicated ePowertrain division is accelerating the path towards net zero-emissions mobility, with electric drivelines, battery packs, and battery management systems. This extensive offering, and its strong focus on R&D, makes FPT Industrial a world leader in industrial powertrains and solutions.
